First Day Checklist

- [ ] **Download the Course Syllabus.**

  The Course Syllabus is the first item at the top of the course content page. The syllabus provides you with a schedule of all assignments that are due during the course and the number of points allocated to each assignment.

- [ ] **Review the Academic Policies and Procedures.**

  Here you will find information about the weekly schedule, assignments and grades, attendance, academic integrity and requirements, and disability services.

- [ ] **Post your introduction in the "Meet Your Faculty and Peers" discussion area.**

  Locate this discussion within the Week 1 section. Here you can post information about yourself and get to know your instructor and classmates.

- [ ] **Review Week 1.**

  Review the Discussion, Assignments, and Learning Activities you will complete for Week 1 of the course. These activities are in the Week 1 section.
